

## **MINUTES: EDRG Group Conscience March 20, 2025**

**Note** that GC agreed to motion to continue with Daily Safety Host but revert to previous settings including:

- Members may turn on and off their own cameras
- Members may elect whether to have their camera on to read or share
- Chat will be open to all members for the last 5 minutes of the meeting.

*It was also emphasized that all team members should be empowered to protect the safety of the meeting if they observe something inappropriate or crude.*
