EDRG GR Report - September 2026

2026-09-12: Monthly District 43 Meeting

- **Service opportunities and rotation:** Groups were encouraged to involve and mentor Alternate Group Representatives before Panel 65 ends in December 2027. The next panel begins January 2028. The Alternate District Representative position remains open; members with prior GR experience are encouraged to consider serving.
- **Fall Assembly:** The Assembly is scheduled for October 17, 2026, with the proposed 2027 Area budget being prepared for presentation. Registration and agenda details were pending at the meeting. The District Representative will also clarify whether Alternate GRs may attend as observers.
- **Online meeting practices:** Groups shared ideas for managing sharing time, maintaining an Al-Anon focus, and ensuring backup Zoom hosting access. These remain group-conscience matters; no district-wide policy was adopted.
- **Online Alateen:** Questions about safety guidelines, implementation, and participation across geographic boundaries remain pending further Area guidance.
- **Upcoming District meetings:** October 8, November 12, and December 10, 2026. The October meeting will focus on Fall Assembly preparation.

2026-09-29: GEA Fall Assembly Registration Opens

- Registration opened for the October 17, 2026, GEA Assembly. EDRG’s Group Representative submitted the Zoom registration and is awaiting approval, with voting information to follow.
- As of September 29, no Assembly agenda or voting topics had been provided. EDRG’s group conscience is scheduled for October 1, leaving the group unable to provide agenda-specific voting guidance unless materials arrive beforehand. This timing concern has also occurred with previous Assemblies.
