

EDRG GR Report - June 2026

2026-06-11: District 43 Meeting

- The agenda was approved, and the prior minutes were approved after removal of an unrelated attachment.
- The Alternate District Representative position remains vacant; Group Representatives were encouraged to share information about the role with their groups.
- Members discussed electronic meeting delisting, a possible regular second-Thursday district meeting schedule, and possible future use of transcription or AI summaries; no decisions were made on these items. The next district meeting was confirmed for July 9 at 5:00 p.m.

2026-06-13: GEA Assembly

- The Group Representative attended the first two hours and voted in favor of the Consent Agenda, which passed with a correction changing "web page" to "website" in the Chair report.
- The Assembly approved increasing the GEA reserve fund to 100% of annual operating expenses. Several other items, including coordinator appointments, a proposed minimum checking balance, insurance, special projects, excess funds, and technology-purchase authority, were moved to the October Assembly.
- The Delegate's Report covered the 2026 World Service Conference, WSO finance and technology updates, literature and Service Manual updates, group name policy implementation, electronic Alateen, trustee process changes, AI-related guidance, public outreach, international service, and upcoming events.
